## **CARBINE CLUB OF TASMANIA DERBY LUNCH**

Almost 300 members and guests turned out in the brilliant sunshine for the Carbine Club of Tasmania's Annual Derby Day Luncheon at Elwick Racecourse followed by the twilight race meeting which included the Derby, the Bow Mistress which is the State's richest race for fillies, and our own Carbine Club 3YO Plate.

Guest speaker Simon O'Donnell (*pic right*) was taken through his top level sporting career in cricket and football by MC and Carbine Club Member Steve Adermann, and he then gave us a rundown on his well known horse racing venture, OTI Racing & Bloodstock, which included a few early tips for the next Melbourne Cup!

Club Member and auctioneer Andrew "Flapper" Wright cajoled the crowd into parting with some hard earned to support the Club's charitable works and members were given the opportunity to join in the sweep for the Hobart Cup (to be run a few days later) before enjoying the great day's racing that started at the conclusion of our lunch. Tasmania's leviathan race horse owner Paul Geard, a regular attendee and supporter of Carbine Club events, pointed those with him to the win of Gee Gee Red Prince in the Carbine Club Plate later in the day, making it an even better day for those at the table including long time CC Treasurer Mike Wisby.

***Mike and his wife Robbie are gearing up to attend the Carbine Club Congress in Perth next month. This will be the 8th Congress they have attended – "I would never miss out on a Congress, best events and best holidays ever" declared Mike.***

A very welcome visitor to the CCTAS Derby Lunch was Peter Carey, a multi club member, now with CCSA, pictured (left) with Club Member Paul Jubb who was hosting a week of celebration for his 60<sup>th</sup> birthday . Happy birthday Paul, but where's your tie?

## CLUB NEWS IN BRIEF

**The Carbine Club of PNG's** members are renowned for their propensity to travel, so this report from Immediate Past President Paul King doesn't come as a surprise:

"CC PNG's Niugini Racing Syndicate horse Candika flashed home to run 3<sup>rd</sup> in the Magic Millions 2YO Classic and seven of our syndicate members were present at the track on the day; unfortunately they were unable to get down for the CCQLD lunch which was held on the Tuesday prior".

**From the Carbine Club of SA,** Secretary John Condon reports:

"The Carbine Club of South Australia Inc. is proud to announce the Australia Day Honour's Lists includes our Special Member **LLEYTON HEWITT AM.**

Lleyton earned this prestigious award for significant service to tennis as a player at the national and international level and to the community".

On a sad note **from CCACT Secretary Paul Walshe:**

"It's with great sadness I inform you that our great friend, colleague and Carbine Club Member Russell Brown (Brownie) has passed away. Brownie was the inaugural Treasurer of the Carbine Club of the ACT, a position he had held for the past 26 years".
