BeSPORTIVE LUNCHEON - *Friday 13th November 2020*

With Covid19 restrictions eased we can proceed with the planned BeSportive luncheon with confidence.

Attached is an updated flyer with 3 of the 5 proposed speakers confirmed. We will have one or two athletes speaking in addition to **John Foley, Grant Fox** and **Ben Skeen** but the change of dates has unfortunately meant changes in the proposed athlete speakers. More information on the additional speakers will be forwarded once these are confirmed.

Although a number of members registered for the proposed September date, re-registration will be necessary following the change of date. With the relaxation in rules around social gatherings, we hope that you and your friends will enjoy attending this luncheon on an issue that is important in addressing the tensions at the interface between school and representative sport and ensuring sport can provide a healthy environment for all levels and abilities.

If you can please advise as soon as possible if you can attend the luncheon and provide the names of your guests that would be much appreciated.

We look forward to seeing you in November.

Regards

VJ Latta
