CARBINE CLUB OF NEW ZEALAND -AGM & MEMBERS LUNCHEON

CCNZ held their AGM on 21 May where John Lindsay proposed the nomination of Vicky Latta as a Life Member – Vicky is well known “across the ditch” and some of her achievements which were detailed in John’s proposing address are related below.

Following the AGM President Aidin Dennis and members enjoyed a luncheon where Kereyn Smith, Secretary-General of the NZ Olympic Committee gave an insight into the lead up to the Tokyo Olympic Games and the challenges caused to preparations by the pandemic.

VICKY LATTA

Vicky was one of the inaugural women members of the Carbine Club and after a few years as a member she became Secretary, a position she has now held for over 10 years. As well as her deep involvement in all CCNZ activities Vicky is a regular and welcomed attendee each year at the Delegates’ Meeting in Melbourne.

Her sporting career is outstanding - Vicky had a very successful career as a world class equestrian, winning a silver medal at the Barcelona Olympics in 1992 in the Three Day Team event and a bronze in 1996 at the Atlanta Olympics in the same event.

She has managed the New Zealand Eventing team, has been a National Eventing Committee member and a national jumping and dressage judge.

Not content with just her Carbine Club and sports related activities Vicky plays a major role in community works including as a Board member on Ambury Park Centre for Riding Therapy, the Australia New Zealand Sport Law Association, the local Regional Sports Trust and undertaking remedial reading assistance at a local school. She keeps fit for these activities through Pilates, Yoga and Ballet!

It is very easy to see why Vicky Latta has been taken into Life Membership of the Carbine Club of NZ.

Carbine Club of London – Club Update

Despite the tough times the Carbine Club of London has managed to keep active and on 28 May held the annual Golf Day at Royal Mid Surrey Golf Club where 23 players enjoyed their golf followed by a curry evening. Richard Phillips was the Members' Winner and James Johnson was runner up.

The Carbine of London Racing Syndicates activities continue to go well with "Water's Edge" running 4th in a recent premier handicap at Epsom Downs. The Syndicate has just launched its 3rd syndicate, this one with "Coranny", a chaser that will be with Richard Phillips.

Covid related Test Match plans have been disrupted with the MCC unable to confirm arrangements, understandably, so the Lord's Long Room Luncheon will not be held in 2021; this means that the next major Club function will be the Members Only, AGM/Eve of Melbourne Cup Dinner on Monday 1st November at The Alfred Tennyson in Belgravia– this dinner is to be known in perpetuity as the "Sam Vestey Annual Members' Dinner" in recognition of the support and club involvement of our late Club Patron.

Looking further ahead, the Club has once again booked the OXO Tower for the pre Cheltenham Dinner which is scheduled for Tuesday 8th March, 2022.

Lord Grimthorpe (Teddy) has kindly agreed to accept the role of Joint Patron of the CCL, alongside the High Commissioner for Australia, The Hon George Brandis QC. Teddy is steeped in sport and horseracing, having, amongst other roles, been Chairman of York Racecourse and the Racing Director for Juddmonte. Teddy is currently the Deputy Senior Steward of the Jockey Club and he remains on the Board of York racecourse.

The Club has a full membership list and prospective members in waiting, all no doubt looking forward to getting back into full swing!

He has raced 18 times for the Carbine of London Syndicate with 3 wins, 6 placings and has only missed the prizemoney twice.

**A Lunch with the
CEO of Sport NZ**
Friday 9 July 2021

**BREAKING THE
GLASS CEILING**

Raelene Castle is a high flying NZ'er and a Leading Lady. Who has, throughout her career, asked questions and challenged the establishment.

She has held CEO positions with Netball NZ, Canterbury Bankstown Bulldogs in the NRL, Rugby Australia, and is currently CEO of Sport NZ.

Raelene is one, of only a few, that has dared to walk, and work, among what have traditionally been male bastions.

No doubt it hasn't been easy, but now she may well ask... *What Glass Ceiling?*
