COMMONWEALTH GAMES PREVIEW LUNCHEON - Friday 1st July 2022

We were finally able to hold a luncheon on 1st July after almost a year and it was fantastic to return to some form of normality. **Nigel Avery** spoke on the logistical challenges for the team with athletes spread over 5 venues, partly due to Birmingham taking on the hosting of the Games at comparatively short notice. He also spoke of future plans for the Commonwealth Games and it will be interesting to see how those play out. With the team about to depart, we wish them the very best of luck.
