Dear Carbine Club Member

SUMMER IS ON THE WAY

A couple of months ago a small group of members (Cameron McGregor, Richard Blundell, Bruce Goldsworthy, Bho Patel, Mike Stanley and Fiona Allan) gathered together at the request of the Carbine Club of NZ Committee to look at the future strategic direction of the Carbine Club and reimagining what it could look like within 5 years' time.

Join us for a drink as we present the "Draft Carbine Club of New Zealand Strategy" and have a member's Q and A session over a social drink. We would love to see you and importantly we would love to hear your feedback on the draft strategy. See attached overview in preparation.
